
PRINCESS V52

PRINCESS V52

The sleek profile of the V52 confirms her positioning at the heart of the V Class range, with superb performance and dynamic handling.

She is a beautiful combination of fine detailing and practical solutions from the elegant panelling in the saloon to the cockpit dining area which can convert to a large sun bed if required.

The elegantly appointed deck saloon significantly increases the V52's interior accommodation while still enabling all the enjoyment of open boating with a large opening sunroof above the helm position.

Below decks, adjacent to the fully fitted galley, the lower saloon provides a separate entertaining area and can be converted to provide additional berths for occasional guests. Alternatively a third guest cabin can be specified, as can an aft crew cabin.

With a full beam owner's stateroom and a generous forward cabin featuring scissor berths, as well as the option of a third cabin, the V52 provides spacious and elegant accommodation.
